WORK EXPERIENCE

Housekeeping Associate | Taj Rishikesh Resort & Spa, Uttarakhand | January 2026 – Present

- An ultra luxury property with premium category rooms & villas, preferred by VIPs, FITs.
- Completed training on VIP protocols and procedures for clients based on client type, needs and preferences according to strict SOPs covering laundry, amenities, communication, room theme and personalised service.
- Executed rigorous deep-cleaning and sanitization of guest rooms and public areas, maintaining 100% compliance with high-volume turnover schedules equivalent to cruise embarkation/ debarkation operations.
- Focus Enforce strict hygiene protocols using hospital-grade disinfectants to neutralize viral spread, directly mirroring Vessel Sanitation Program (VSP) standards.

Hotel Cleanliness Expert | Jaipur Marriott Hotel, Rajasthan | October 2024 – November 2025

- The largest room inventory of Rajasthan at the time (374).
- I was selected as part of a special, hand-picked team to serve cricket players during the entirety of IPL 2025 (2 months stay) and received commendations from cricketers Rahul Dravid, Yashasvi Jaiswal, Shimron Hetmyer, Sanju Samson, Vaibhav Suryavanshi to name a few.
- I provided mentorship to a batch of juniors consisting of 7 members in all housekeeping activities ranging from bed making, chemical hazards & safety and general role shadowing.
- High-Volume Operations: Maintained pristine condition of assigned sections (15+ rooms

daily) under strict time constraints, consistently achieving Guest Satisfaction Scores (GSS) above target despite peak occupancy.

- Chemical Safety Mastery: Demonstrated expert handling of hazardous industrial cleaning agents (MSDS compliance) and heavy-duty machinery (buffers, extractors) without a single safety incident.
- Crisis Management: Resolved guest complaints regarding cleanliness immediately, preventing escalation and ensuring swift service recovery in a 24/7 operational environment.

Trainee (Industrial Exposure) | JW Marriott, Mussoorie Walnut Grove Resort & Spa | July 2022 – November 2022

- Experienced hands-on learning in all 4 core departments of hospitality: Housekeeping, Front Office, Kitchen Management and F&B.
- Learned & used front office software including Opera.
- Strengthened my fundamentals of the F&B Department with a keen interest in the liquor department.
- Learned food safety protocols.

I also have an extensive experience in outdoor catering during my college time to practice & improve my skills at an average of a week every month.
